**Better Products For Better Living**

# Our Mission

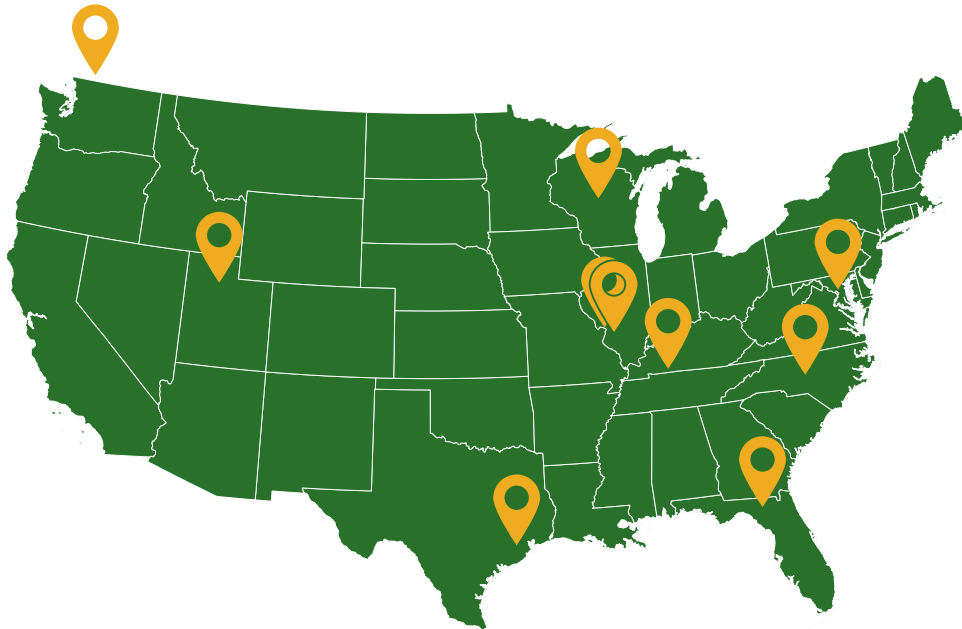

IMC Outdoor Living is committed to supporting a more circular economy for long-term global health by finding new and better ways to recycle end-of-life tires and manufacture our products.

If safety is your priority in your place of play, there is simply no safer groundcover available. GroundSmart Rubber Mulch Nuggets provide industry-best fall height ratings that guarantee children young and old will enjoy their time in the great outdoors.

The gold standard in recycled rubber products and the brand that started it all. Known throughout North America as the brand that has consistently delivered quality, value and innovation for decades.

## National Manufacturing & Distribution

By collecting 190 million tires annually, we reclaim more than 3 billion pounds of rubber for new products.

## Rubberific Playground Accessories

### Swing Mats

The longevity of our Rubberific Mats is second only to its versatility and functionality. Made from 100% recycled rubber these durable 32" x 54" mats are two inches thick and feature a beveled edge to offer a clean and finished look. One of their primary uses of Rubberific Mats is below swings and slides in the playground where loose-fill mulch is typically kicked out by playful children. These mats stay in place, keep children safer and greatly reduce ongoing maintenance.

- Multiple mats can also create a backyard walkway, patio, ideal indoor surface for a home gym, or any application where a durable, non-slope surface is needed
- 4' fall height rating
- Can be used under swings and slides
- Match or compliment your GroundSmart Rubber Nugget Mulch or Rubberific Shredded Mulch
- Ensure safe landing space
- Heavy duty mat stays in place

Available in black, brown, red, and green

### Timbers

Rubberific Timbers are the best border system option for all your landscaping and playground needs. These 92" long Rubberific Timbers come in heights of 4", 6", or 8". With the flexibility of rubber, it can form to virtually any edge desired. The top of the Rubberific Timber is rounded to provide extra safety when used around a playground.

- Designed with engineered drainage ports so water does not pool in flower beds or playgrounds
- Looks great with no maintenance for years to come
- Great for playground and landscaping applications
- Matches or compliments Rubberific Mulch or GroundSmart groundcovers
- Made from 100% recycled rubber
- Easy to install
- Long-lasting and durable
- Each timber includes 3 anchors
