cre8play®

A playground scene featuring several large, brown, leather-like sculptures of sports equipment: a baseball glove on the left, a baseball cap in the background, a baseball bat, and a baseball. In the foreground on the right is a large white sculpture of a baseball with red stitching. The ground is covered in green artificial grass. The text "BREAK THROUGH THE CLUTTER." is overlaid in white, bold, sans-serif font.

**BREAK  
THROUGH  
THE  
CLUTTER.**

INCREDIBLE DETAIL.

BUILT TO STAND THE TEST OF TIME.

---

We're a bunch of design-detail freaks who take durability very seriously. Our materials are selected to withstand extreme conditions and our proprietary blend of glass-fiber reinforced concrete (GFRC) allows us to achieve an unparalleled look and feel. The difference is seen up close and personal.

Kids notice, adults notice and communities notice.
